Overview

WES Water Manager ("we," "our," or "us") respects your privacy. This Privacy Policy explains how our mobile application handles user information.

Data Collection

We do not collect, store, share, or process any personal data, user information, or device analytics.

- **Personal Information:** We do not collect names, email addresses, phone numbers, account credentials, or payment details.
- **Location Data:** We do not collect or track your GPS or real-time location.
- **Analytics and Tracking:** We do not use third-party analytics SDKs, advertising networks, crash reporters, or tracking cookies that collect information about you or your device usage.

Local Storage

All data generated or used by **WES Water Manager** (such as any local settings, e.g., saved preferences) remains strictly on your device. We do not have access to this information, and it is never transmitted to us or any third parties.

Third-Party Services

Because our app does not collect data, we do not sell, trade, or transfer any information to third parties.

Children's Privacy

Our app does not collect any personal information from anyone, including children under the age of 13.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be posted on this page with an updated effective date.
